ABOUT US

The Lexicon Institute of Hotel Management is a Hospitality Management Institute

‘By the Hoteliers, For the Hoteliers.’

The Institution has been developed to meet the requirements of the Hotel Industry and to prepare its students to be ‘Day Zero Professionals’. What do we mean by Day Zero Professionals – we mean that the course and curriculum will give them ample theory, practical and experiential learnings during the course. They will have opportunities to work with industry mentors and their faculties to learn and prepare for their career ahead. Live Industry Projects in addition to 6-9 months of robust Internship will give them hands-on experience to hit the road running.

The Lexicon Institute of Hotel Management is the perfect launch pad to begin their journey of becoming successful hospitality leaders. It likewise gives fulfilling, energizing, intriguing, and distinctive profession choices to forthcoming and promising career. During these three years, the students will undergo intensive training in subjects varying from Food & Beverage, Culinary, Front Office, Digital Marketing, Housekeeping, Wines & Spirits, Cocktails etc.
